

QSM

Quality Science and Math Applications Round Two!

Are you a PUBLIC School Teacher? Do you have a concept you would like to teach but don't have the materials?

HELP is on the way!

**The QSM Competition will Enter Round Two of Awards!
The Portal IS NOW OPEN and Closes at Midnight
Monday, November 13!**

Go to

<https://qualityscienceandmathgrantprogram.communityforce.com>
and Login using your email address and a password you develop!
Carefully follow all QSM Guidelines for a winning proposal!

Write a proposal that completely answers each section, develop meaningful goals and objectives, fully describe what you want to do, and justify your instructional plan and expenditures for your proposed project. Be sure to have a friend read your proposal before you submit it!

Who qualifies: Only full-time classroom teachers assigned to teach math or science in K-12 regular education programs in public schools.

The award amount is \$750!

Write your proposal on your computer. Copy, cut, and paste it into the website's text boxes.

What happens if you have to stop in the middle of writing the proposal on the website? No problem! You can login and out with ease. Just make sure you save your text often!

Hot Tip: Read carefully and make sure you clearly answer the questions so the reviewers know exactly what you are planning to do!
